# Why

## Rail Hub Milano?

### LOCATION

Located at the heart of Italy's largest production and consumer areas with extensive rail and road connections. Only 5km from major road arteries.

### PRIVATE OPERATOR

Largest privately owned CY terminal in North Italy, managing over 700 trucks per day and 140 trains per week.

### RAIL OPERATIONS

Managed and powered by a private operator with full AEO certification. No shunting or operational lag times thanks to owned equipment and assets.

### CUSTOMS

Milano East customs directorate adjacent to RHM Terminal. 162,000 imp/exp/T1 ops in 2018.

### HANNIBAL MAIN HUB

Offering comprehensive intermodal transport solutions for maritime and continental cargo.

### SERVICE RELIABILITY

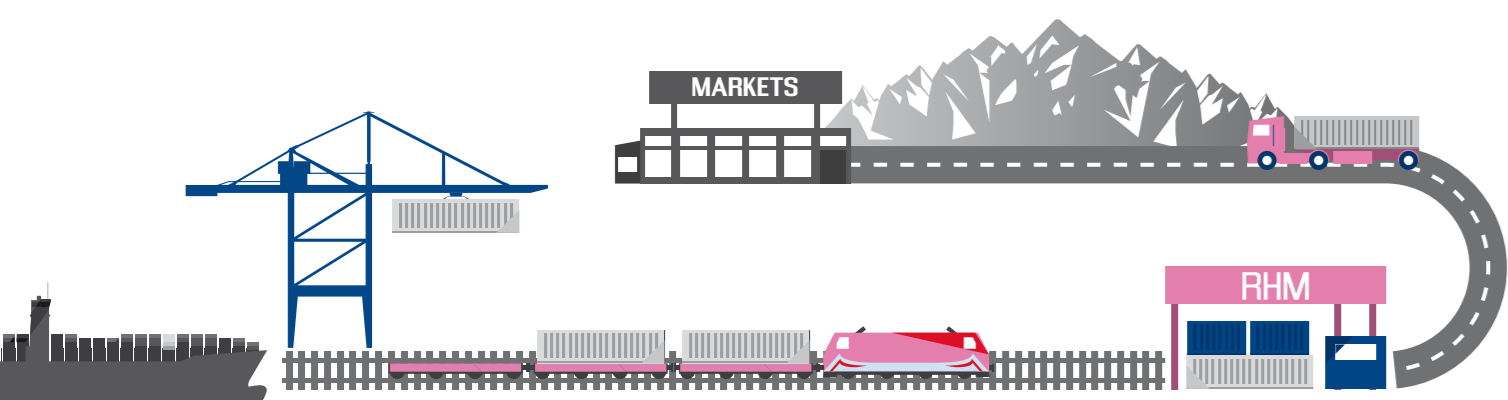

Private operator specializing in rail cargo transport and train shunting with 13 locomotives and 340 wagons.

### SEAMLESS PROCESS

Integrated and hassle-free management of rail ops. More than 5,000 trains operated with over 1mio km/train and 94% rail schedule integrity (2018).

### DIRECT MANAGEMENT

Shunting operations in Melzo and LSCT (La Spezia Container Terminal).
