Why Ravenna?

THE SPECIAL PORT FOR YOUR SPECIAL PRODUCTS

Know-how and experience in handling special products, oversized cargo, dangerous and perishable goods.

STRATEGIC GATEWAY IN THE ADRIATIC SEA FOR EAST-MED TRADES

Linking the East-Med with Central and Northern Europe through the Southern Gateway.

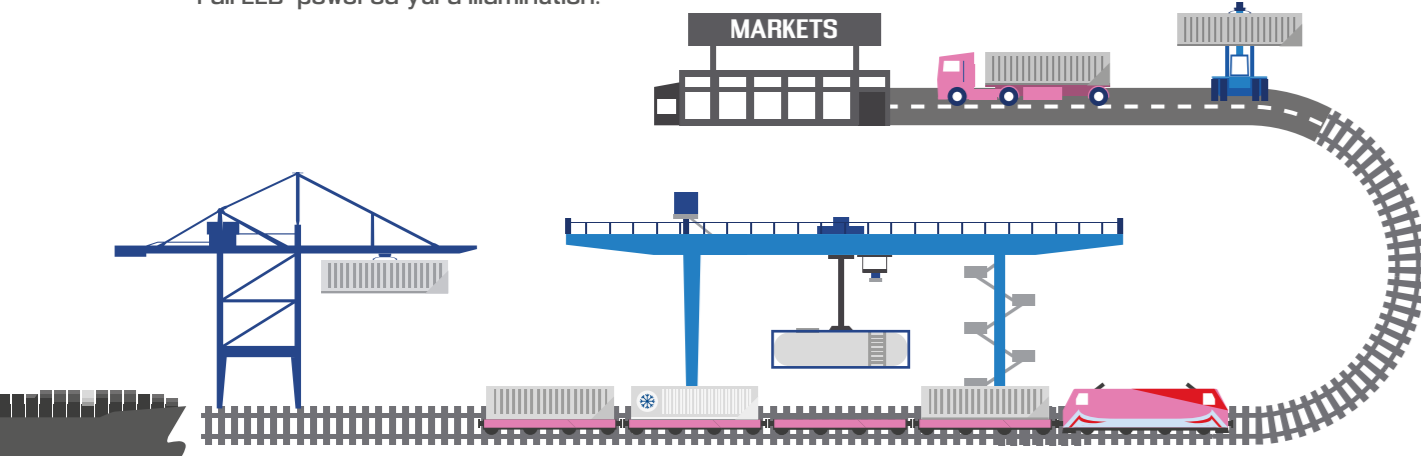

SPECIALIZED REGIONAL SEA CONNECTIVITY

RO-RO operations, project cargo and value added service specialists.

CONTINUOUS COMMITMENT AND INVESTMENTS

3 quay cranes (up to 18 rows)
5 yard cranes (RMG)
5 rail tracks with 2 dedicated RMGs
Full LED-powered yard illumination.

INTERMODAL CONNECTIVITY

Direct connections with Dinazzano and Milan, extended access to Central European markets via the Alps. Dedicated terminal infrastructures: integrated transfers to/from rail through an efficient intermodal logistics platform.

SUPPORTING EMILIA ROMAGNA REGIONAL TRADE

Export gateway for agrifood products, chemicals, ceramics, mechanics, textiles and much more.

SERVING SOME OF THE MOST DYNAMIC CONSUMER AND INDUSTRIAL MARKETS IN ITALY

Accounting for 18% of the Italian GDP.

CFS – CONTAINER FREIGHT STATION

Cargo consolidation and groupage service directly available at the terminal.

COLD CHAIN MANAGEMENT

Dedicated warehousing and processing capabilities for fresh products available within the terminal premises.
